

Little Spanish Garden Flex Program

Our Flex Care program allows our community to purchase child care days in advance. That way, you can use them when you need them. You'll love the reliability and flexibility, and your child will love our proven Spanish Immersion program in a Fun, Safe, Secure environment. Flex Care is an excellent solution for those who:

- Need holiday and/or school break care
- Work part-time
- Have an irregular schedule
- Stay at home but need an occasional "day off"
- Children that lack Emotional and Social Learning (SEL)

Little Spanish Garden LLC prepaid slots are available on a platform called [Hoppingin.com](https://www.hoppingin.com). There's no limit to how many available days you can purchase in advance. As an added bonus, there is no registration fee at the time of purchase or when you use the care. If our Flex program is something you would like for your children please call 716-768-1919 to complete LSG enrollment paperwork then you can simply reserve the available slots by just visiting [Hoppingin.com](https://www.hoppingin.com). Log in as a parent creating a user and password, locating Little Spanish Garden LLC to see present available slots.

Again: LSG flex program is an uncontracted agreement for our childcare service.

Flex Care is also great for our Summer-Fall Program; if you only need occasional Seasonal care, this program is an easy way to ensure your children will have an active, safe, and educational season throughout the year!

A special thank you to our present families for listing their child or children's unused/vacant slots for other children within our community to join Team LSG by networking LSGkids absences we are able to serve the community and in return provide a savings in weekly tuition. That is definitely a WIN-WIN!
